LD/OLL JOURNAL NOTE

Date 22 November 1985OLL No. 85-3622HILL CONTACT Robert Shuey (287-7690)COMMITTEE/MEMBER Congressional Research ServiceSUBJECT South AfricaACTION OFFICER

SUMMARY:

Shuey called on 20 November. At the request of a Congressional sponsor he asked if CIA had any publications on the effect on the states that border South Africa of the economic sanctions placed on South Africa. State Department had told him we had information available. Shuey would not name his Congressional sponsor.

I requested OCR do a computer run which is attached.

Called Shuey this date and informed him that while CIA had several publications which might touch on the subject, they were classified and I would not even be able to read him the titles. I suggested that if the Congressional sponsor was interested in following up a request should be made directly to our office. I gave him name and phone number.
